To Our Generous Supporters,

Thanks to our many generous sponsors and participants, Lethbridge Therapeutic Riding Association (LTRA) enjoyed another successful 'Drive for Dreams' fundraising golf tournament on June 26th, 2023 at the beautiful Henderson Lake Golf Club. As result of our Sponsor's continuing support for the Drive for Dreams, we have been able to raise \$170,000 of much needed funding in the last 3 years in support of LTRA's programs. LTRA survives on fundraising, which was not possible during Covid pandemic. It was our golf committee's pleasure to assist.

A big tip of the hat to our Title Sponsor for the last 3 years – **Servus Credit Union**. Their major annual contribution allows us to hit the road running each year. Servus Credit Union continues to be community minded in all that they do. Please keep them in mind for your financial needs. Also, thanks to all our many Sponsors; we could not have enjoyed success without your support. The names of all our Sponsors are displayed on our website – www.ltra.ca (Events → Drive for Dreams Charity Golf Tournament). A huge Thank You to everyone.

I would be remiss if I did not mention the names of our outstanding golf committee. Each of these individuals has a soft spot in their heart for LTRA and go all out to help make Drive for Dreams a success: James Bartsch, Brian Wichers, Doug Braden Dennis Chinner, Marj Tomomitsu, Kale Hayes, Steve Dormaar, Karen Ortega and yours truly - Norm Lepard

Next years Ride for Dreams is scheduled for **June 24th, 2024** at Henderson Lake Golf Club.

Sincerely,

Norm Lepard
Committee Chair
